THE DEATH EGG SAGA™

SPAZ+W/6

The background of the entire page is a detailed illustration of the planet Mobius. It features a map-like layout with various regions, some labeled with names like 'GALLOON' and '600'. The landscape is a mix of green land and blue water. In the bottom left corner, the heads and shoulders of Sonic the Hedgehog and Tails are visible. Sonic is on the left, looking towards the right, and Tails is on the right, looking towards the left. They appear to be in a conversation or looking at something off-camera. The overall style is that of a classic comic book or storybook illustration.

The planet **Mobius** was like a paradise with the benevolent **King Acorn** as its ruler... until the coming of the evil **Dr. Ivo Robotnik**.

He conquered the land and its people, using his knowledge of technology and pollution. But many young, courageous citizens banded together as a brave group of "**Freedom Fighters!**" They struggle to overthrow the dictator and one day regain what was once theirs. Among them, the greatest of the Freedom Fighters is the fastest and way coolest dude on two feet...

**SONIC the HEDGEHOG!**

Recently, Sonic and his sidekick **Tails** have taken up a quest for power rings in an attempt to save the king. In their search, they inadvertently stumbled upon Robotnik's new weapon of destruction, **The Death Egg**, as he tries to acquire the one thing that will fully power it... a **Chaos Emerald** from **The Floating Island!**

Together with **Knuckles** and **The Chaotix**, our heroes try desperately to save The Floating Island from Robotnik's evil wrath...
